
JUSTIFICATION STATEMENT FOR CONTRACT AWARD

**Utah State Hospital
Slate Canyon Water Pipeline Improvements
Phase 1 – Fire Water Line
DFCM Project No. 00144420**

The Selection Committee was unanimous in its recommendation to award this contract to Johnston & Phillips, based on the following selection criteria.

- Excellent past performance ratings on similar projects and the contractors' previous experience interacting with Provo City.
- Project management approach and work plan are well-coordinated with the operational needs of the agency's facility,
- They are able to perform the work within the stated schedule, and
- Thoroughly developed a plan to mitigate the project specific risks with regard to traffic control and protecting the public from construction areas.
